

safety with horses

What we can do to help you manage equine health and safety

Can you really afford not to attend this training day at Warwickshire College, Moreton Morrell on 20th February 2006?

Topics to be covered:

- Practical steps in health and safety management for all types of yard
- The basic responsibilities of employers with regard to health and safety
- Common areas which result in litigation against yard owners
- A training solution for yards, their staff, helpers and clients
- A practical management solution – an equine business pack
- Opportunities for industry based instructors to join the Warwickshire College team

Who should attend?

- Anyone who is responsible in any way for those who ride or handle horses
- Anyone involved in equine business
- Anyone involved in the instruction or teaching of riding and stable skills

Conference fee £35* - this payment covers the event, lunch and materials and is required by 14th February 2006
